

Illinois State Museum, Springfield, Research & Collections Center
Technology Learning Center, 1011 E. Ash St., Springfield, IL 62703

Attention: Middle and High School Teachers

Help Us Build the Audio Video Barn!

By participating in the
**Using Oral History in the
Classroom Workshop**
July 13, 2009, 9:00am – 4:00pm

- Participants will receive a \$100 stipend for the day upon successful completion of the workshop.
- Teachers can earn 6 CDPUs by completing this 6-hour workshop.
- Lunch will be provided.
- Each teacher will receive an educational packet with sample lesson plans and a CD of workshop lesson plans.

Workshop Description:

- Teachers will learn about and practice searching the ISM digital “Audio Video Barn” database of indexed video and audio oral histories of Illinois farmers for agricultural or rural life topics and concepts.
- They will listen to/view the short clips/segments
- They will write and share a lesson plan based in Social Studies or Language Arts (to ISBE standards) that incorporates the use of multimedia.
- Your lesson can be posted to our Website if you wish to share it.

Teachers will be helping the State Museum explore the best ways to present this new interactive audio/video database for K-12 teacher and student use on its Website beginning in September 2009. The Audio Video Barn will be an exciting tool for teachers to use, and you can help us shape it to meet teachers’ needs.
